3) In the programme furnished the route for "Visit to Chamundi Hill" on the 29th November has not been prescribed and so also for the "Local Sight Seeing" on the morning of the 30th. The latter is perhaps not possible as in the programme the places to be visited have not been specified.

4) According to the tentative programme of the visit to Mysore the "visit to Dams & Seringapatam" is on the 30th afternoon. In the route programme only route for visit to Seringapatam and back is prescribed &

Not for the visit to "Dare".

5) The route for the return journey from Khedda has also been omitted in the route programme. But from the Map in which the route for the return journey is indicated it would appear that the return journey would be via, Krishnarajasagara.

6) According to the programme, the trip to Krishnarajasagara would come on the 7th Dec, Monday fixed for the return from Kakkaden. According to the programme it is to come along with Seringapatam on the 30th of Nov.

7) Besides, for the item 'Palace music' the route is not mentioned. The route marked for Entertainment in the Palace" may possibly be meant for this. But as the order in which the route is prescribed differs from the programme, this point also needs clearing.

8) The Personal may be asked to revise the programme & routes and send back the same early.
